Honorable Suzanne Mitchell.

SORRY FOR THE HAND WRITTEN LETTER.
However I am being isolated at the
Federal Medical Center Ft. Worth and
have NO access to a computer, phone,
email, or library to respond to the
governments last request. I am asking
for at least 30 day extension to the
deadline of April 28th 2020 in hopes
I am allowed access to use things I
need in order to properly answer their
request

THANK you.
